

MP IntelliJet™ Water Cutter

INTRODUCING THE LATEST ADDITION TO OUR PRODUCT LINE, THE MP INTELLIJET™ WATER CUTTER, MANUFACTURED EXCLUSIVELY FOR MP EQUIPMENT BY

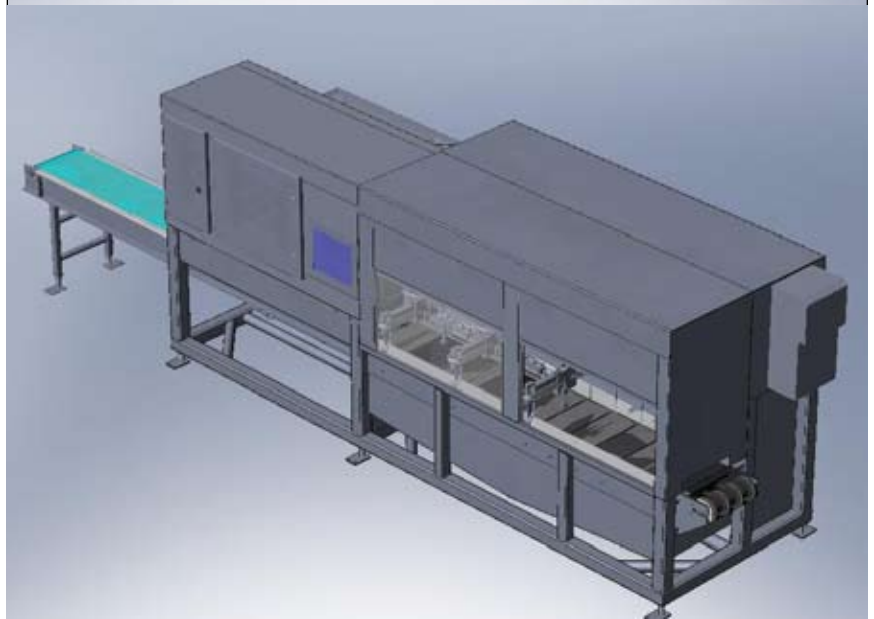

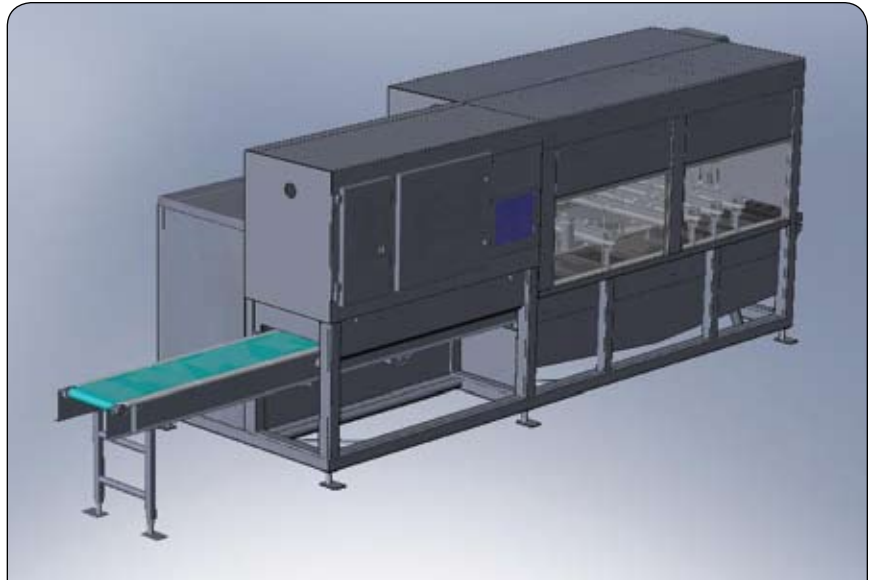

MP Equipment and PES have teamed up to bring to market the most user friendly technology to size protein products using water jet technology. Using the latest in Windows software and reducing the up front cost associated with water jet technology, the IntelliJet™ is the most flexible technology in product sizing. We look forward to the opportunity to show you the overall MP experience in customer care.
